

15 January 2021

NEW ENRICHMENT PROGRAMME

End of the school day - Want to have fun, learn something new, expand your knowledge, try a new skill?

Starting Monday 18th January is the Unity Schools Partnership ENRICHMENT programme open to students in all our secondary schools.

Teachers from across the trust will be creating and offering fun and exciting things for you to experience.

New activities and opportunities will be added to our padlet menu (timetable) each Monday at 4pm. To check out what is new and on offer visit:

<https://padlet.com/unityspenrichment/8yfmj2pi5bxafaue>

Or, here's a shortened version.

<https://tinyurl.com/y4j5v7zg>

Both work to point you to same place.

Some activities as we develop our Unity School's Partnership ENRICHMENT programme will be offered live as advertised on the padlet.

To take part in one of these activities you need before the activity day to email:

unityspenrichment@unitysp.org.uk

When emailing you need to say which activity session you wish to join. Your name will be forwarded to the teacher in charge who will let you in when you click on the link in the padlet on the day.

We look forward to seeing lots of students from across the trust taking up this offer. Enjoy!
