

14th June 2021

Dear Parents/Carers,

I would like to remind you that the EU Settlement Scheme application deadline is Wednesday 30th June. It is crucial that if you think you are eligible that you check on behalf of your children. Eligible children are required to have an application in their own right and no child of any age is covered by a parent's application to the EUSS. There is more information on GOV.UK and an application can be completed online at www.gov.uk/eusettlementscheme.

The Trust is looking to establish an environmental and climate change strategy. There is a strong push for schools to be net zero by 2030. The starting point for this is to ask staff, students and parents to complete a questionnaire by 9th July 2021.

Finally, a reminder that students can remove ties and blazers while the weather is this hot, but it does look to be cooler from Thursday onwards, so we would expect all students to be in full uniform. Please can you also ensure your child brings a water bottle to school.

Kind regards,

Ms E Wilson
