Dear Parents and Carers,

As you know we have had to cancel the Prom in response to new government restrictions on gatherings of more than six.

We are as sad as you are, as we miss the cohort of 2020, and feel strongly that in the light of the closure of the school in March, they deserve a Prom perhaps more than previous years to be able to say a proper goodbye. Some of you have asked if we can arrange an event at some point. We would definitely like to have a "goodbye" event, but are reluctant to commit to a date as we don't want to raise hopes given the likelihood that the current guidelines look set to be in place for some time.

We hope you will understand both the reason for the cancellation of the Prom and our hesitation about arranging a new event.

We hope that all the students are settling into their new lives at work or college, it has been lovely to see some of them, and you, and hear of how the term has started for them. As ever we hope they keep in touch and let us know how they are getting on.

With best wishes

Nick Froy and Sophie Gynn
