**Prom Cancellation**

Dear Parents/Carers,

Due to the latest information given by the Government yesterday, it is with regret that we must cancel the Prom. A full refund will be given via the method you paid on the School Gateway.

We are still going ahead with the Leavers Assembly and BBQ next Friday, which is free of charge.

For this Assembly we would like students to arrive at school at 11.15 with a mask and having completed a Lateral Flow Covid Test; they should have enough left from the pack given to them when they left in May. We will ask students to leave the premises at 1pm before we have lunch due to our social distancing and bubbles with other year groups.

Students have been sent a quick forms questionnaire to check on numbers attending the Leavers Assembly.

Kind Regards,

Sophie
