Dear Parents and Carers,

Unfortunately, we have just been informed that Newmarket Academy is one of the many schools listed on the Everyone's Invited website. As a school we take safeguarding very seriously. However, the fact that we have been mentioned, redoubles our commitment to raise awareness of the concerns of our young people and ensure that the school does everything it can to ensure that our students are effectively safeguarded.

We are committed to providing all our students with the means to keep themselves safe in any circumstances. We are determined to maintain an environment where they feel able to speak openly about their concerns and know that, in the event of needing support, they can talk to any member of staff at the school.

If the issues raised by the Everyone's Invited website or the issues around sexual violence have raised questions or concerns, please do not hesitate to contact me.

Kind regards

Elaine Wilson
