

June 2021

Year 11 Prom

Dear Parents/Carers,

As you are all aware, the arranged prom for the 30th June cannot go ahead. A group of parents have got together and are looking into the possibility of rescheduling it independently.

At the moment we are currently looking into the options available, but we are considering arranging it for 12 August (GCSE results day). We have chosen this day as we feel most people would be available to attend.

The purpose of this email is to find out whether firstly if students still want a prom and secondly how many people would be able to attend on 12 August. We estimate the cost will be no more than £30 per student.

As soon as we have an idea of numbers to see if it is viable we can then make firm plans and advise you of the cost.

We will need volunteers on the night so if you are willing to help it would be gratefully appreciated.

Therefore if you could please reply to the email to the address below stating if your child would like to attend the prom and also if you are able to help.

Please could you reply by Thursday 1 July.

I want to make it clear that the Academy is in no way involved in organising this, it is a group of parents that feel that the Year 11s deserve a prom. Please do not direct any enquiries to the school as they are not involved apart from kindly sending this initial email out to all Year 11 parents/carers.

I look forward to hearing from you.
